Onboarding process

1

Initial consultation and level assessment

We talk about your goals, assess your current English level and recommend the most suitable course.

2

Teacher matching and personalised plan

An experienced teacher who fits your needs, with clear objectives and a flexible schedule.

3

Start learning

An engaging first lesson focused on real communication, with your learning plan and all materials.

4

Ongoing support and progress check-ins

Regular feedback and a course adjusted to your needs, so you stay motivated.
